

URGENT: REQUEST YOUR GROUP ACTION LETTER NOW!

If you have sent us your questionnaire and want to inform your CEO, Trust Manager or Employer/ contract provider that SHOULD THEY NOT permanently withdraw the threat to dismiss you for declining Covid-19 vaccination, then they will be in breach of several laws which could lead to legal action against them, please indicate to us at ****no longer active**** that you would like to be considered for suitability for a legal letter to be sent on your behalf.

Group Action for UK Healthcare Sector.

Power in numbers

We support bodily autonomy and sovereignty and aim to herald an end to coercion, bullying, harassment, discrimination and medical apartheid. Standing as one allows access to legal help for all, makes a big noise as one and ensures support and unity amongst those who otherwise feeling isolated.

What is the letter?

The letter by email sets out your legal rights and protections in law to inform your employer that you know your rights and will take further action if the threat/demand to comply with covid 19 vaccine policy is not withdrawn indefinitely.

It is also informative and covers what may be discrimination/coercion with examples of bullying behaviour (as described by many in their questionnaires) and raises philosophical belief (not to be forced to "consent") and equality issues.

Am I taking legal action with this letter?

Not yet. This letter is a notice of potential action. You are not committed to taking any action but it opens up many possible actions (including actions for damages and loss even if the threat/ demand is withdrawn now).

What will the letter contain?

The letter will cover what may be discrimination/coercion with examples of bullying behaviour (as described by many in their questionnaires).

Fees?

For a legal letter our fee is £50 if earning; £20 low income; £1 financial hardship*.

Time schedule.

Letters will go on or before 20/02/22 as a group mailing... intending to land in all relevant CEO / employer/ contract provider mail boxes in numbers en masse.

Time is of the essence.

Get your completed questionnaire to us ASAP if you haven't already and make sure you request to be assessed by legal for suitability for a stage 1 letter ASAP.

If you are assessed as suitable whether employed/self employed/ agency/contractor etc you will receive a client care letter which explains how to pay and to engage with one of our lawyers.

Please be aware that our small team needs time to receive and process applications and refer to legal.

Thank you for taking this stand with us.

*These fees are kept to an absolute minimum to cover administration only. Our team is doing this as Pro Bono as possible not for profit.
